

# Wild Bunch Action Shooting

Wild Bunch Action Shooting is based on SASS Cowboy Action Shooting with a few differences. Instead of single action revolvers, a 1911 style pistol in 45acp with 4 to 6 magazines is used. Rifle ammunition must be of 40 caliber or larger (pistol caliber only). Both the pistol and rifle ammo must have a power factor of 150 or greater. The shotgun must be a model '97 or '12 pump and can be of a military style.
