

The Second Annual Paul Bunyan Shoot

Sunday, May 22, 2022

9:00 AM Safety Meeting

Wisconsin Old West Shootists

**Shoot the Long Range Match and
Three Stages of Cowboy Action**

The theme will be **Paul Bunyan** and his **BABE THE BLUE OX**.

Scoring will be on total hits plus bonuses on Long Range
and 3 stages of Cowboy Action shooting.

You will need around 25 to 30 rounds for Long Range, 30 pistol, 30 rifle, and 10
shotgun rounds for the Cowboy Action portion. Shotgun targets will not be reengaged.
There will be bonus points for hitting the more challenging targets. It will be an exciting
challenge regardless of your skill level.

Long Range

There will be separate score cards for big bore rifle, pistol caliber rifle, and rimfire rifle, and all will be designed so the competition is competitive. Give it a try with your cowboy pistol caliber rifle, or use rimfire cowboy guns. The targets at long range can be hit with either one. There are no excuses not to come and have fun.

Bonuses for long range:

Hitting the flapper bullseye at 200 yards will add 5 points for each hit. (The flapper is a 7" bullseye.)

Pistol caliber rifle bullseye is a 10 point bonus each hit.

Rimfire caliber rifle is a 15 point bonus each hit.

Cowboy Shooting

The stages will be timed plus have a bonus target

A clean shoot will add 20 points from the cowboy stages.

Bonus points for BABE THE BLUE OX:

Pistol Hit 15 Points

Rifle Hit 10 Points

Combined Scoring

1st place for Long Range and Cowboy Action will add 10 points.

2nd place for Long Range and Cowboy Action will add 10 points.

3rd place for Long Range and Cowboy Action will add 10 points.

There will be prizes. If you plan on joining us, please let me know early. You can even suggest the prizes you would like to win at the shoot. Primers, powder, Crown Royal, and gift certificates have already been requested.

The suggested donation for this shoot is \$35.00, or feel free to donate more. The funds will go towards building and maintenance at the range while having fun shooting both Long Range and Cowboy Action together.

Current COVID CDC safety measures will be followed.
