

# SIDE MATCH DESCRIPTIONS

## Speed Rifle, Pistol, & Shotgun

You will declare how long you think it will take you to shoot the rifle, pistol, or shotgun to the time operator. You will shoot rifle, pistol, or shotgun as fast as you can and the timer operator will write down your time and add any misses (5 seconds each), if any, to your time. Like The Price is Right the closest declared time without going over wins. You may only declare a time once, all other times are practice. Shooters may practice as many times as they choose before declaring their time.

## Cowboy Shooting Gallery

This stage uses your rifle and pistols to try your hand at our knock down plate rack and other reactive targets. Misses will be assessed for targets left standing, winner will be chosen based on time plus misses.

## Half a Hickock Shoot

With pistol you will draw and shoot one shot (one handed) at a small target 35 yards out, winner is chosen from fastest time with a hit.

## Annie Oakley Shoot

Using your rifle, you will have 3 shots to attempt Annie Oakley's famous shot. With your back to the firing line using a mirror to look down your sights try to hit the target. Most hits wins, all ties will be broken by time.
